DATA PROTECTION
The Society holds the information you have provided to maintain its membership list and conduct society activities such as the mailing of the quarterly journal and maintenance of its members' interests list. By signing above, you agree to give IOMFHS permission to hold and make use of your postal and email addresses for these purposes.
We will not share your details with third parties without your consent or unless required to do so by law. The Society uses a post service provider for mailing the journal and only an address label is supplied.

The quarterly journals are available to read in pdf on the Members' Area of the website or can be sent as a pdf by email. Distribution in this way represents a significant saving and helps us maintain the annual subscription at its present rate. If you would like to receive future journals in this way, please tick the relevant box and provide your email address.
